Dear Sir / Madam

URGENT
FLEXSPACE No.2 LLP –V- BOSECOM LTD & RAVI KUMAR BOSE
RE: LAND AT UNIT 6, PARKHOUSE, 15-19 GREENHILL CRESCENT, WATFORD, WD18 8PH ('THE
PROPERTY') CLAIM NUMBER: K00WD700 &
RE: WINDING-UP PETITION
CASE NO.: CR2024-MAN-001010

Further to our correspondence to you of the 11 September 2024.

You will be aware our client has a substantial counterclaim, which we intend to pursue, by way of 'set-off' to the Petition. The service of which is not accepted.

Obviously the erroneous initial Petition, which made absolutely no sense whatsoever, is dismissed, however, curiously your new Petition, service of which my client still disputes, is the one to which you refer and we shall be filing and serving a Witness Statement in opposition.

However, we do invite you, bearing in mind the abovementioned counterclaim, which is going to be in excess of £250,000.00, does suggest that the parties agree a general adjournment, and / or stay, whilst the parties seek terms of settlement in regard to both matters.

Yours sincerely

Steve Fanning
